Presidential Award for Chapter Excellence (PACE)

Purpose To recognize APWA chapters for contributions made to positively impact their membership, profession, and community. This award recognizes chapters that demonstrate this accomplishment in a given year.

Eligibility APWA chapters are eligible to submit a nomination for consideration based upon meeting the outlined criteria. There are four categories in which the chapter is evaluated. Each category has specific goals that will be used to evaluate the chapter's programs and services to the membership and community. All chapters, regardless of size, are strongly encouraged to submit for this award.

In addition to meeting the criteria listed below, to be eligible a chapter that has **more than 500 members** must also nominate at least one individual for the Top Ten Public Works Leader of the Year Award and nominate at least one individual/group/project for any three other national APWA awards. Any chapter with **500 members or less** submitting for this award requires only one national award nomination from any category. Chapters will be notified by APWA National as to meeting their eligibility to submit a nomination for the award.
